GELATO

A close-up photograph of a white rose, showing the intricate layers of its petals. The rose is the central focus, with its petals creating a complex, swirling pattern. Overlaid on the center of the rose is the word "BASES" in a large, bold, white, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating or resting on the petals. The background is a plain, light gray, which makes the white rose and the white text stand out prominently.
